

Bringing your pet with you?

Pets must be on a 6’ physical leash at *all times*. Waste bags should never be left along trails, on trail posts, or in trees. If a trash receptacle is not immediately available, take the waste bag with you until you find one. Pets are prohibited on the following trails: Fox Hollow, Stony Man, Limberlost, Post Office Junction to Old Rag Shelter, Old Rag Ridge, Old Rag Saddle, Old Rag Access, Ridge Access, Dark Hollow Falls, Story of the Forest, Bearfence Mountain, and Frazier Discovery.

Pack it in, pack it out!

Keeping food and trash from bears and other animals is essential to their well-being, as well as yours. We need your help! Unlike a city park, Shenandoah is just too vast (200,000 acres and 500 miles of trails) to have conve-

niently placed animal-proof trash receptacles everywhere. So, you may need to carry your trash and pet waste with you for a bit until you get to an area with receptacles — think lodges, picnic areas, visitor centers, etc. Or, better yet! Take it home with you!

Plan ahead with the official NPS App.

The new NPS App is the official app for Shenandoah National Park, as well as the more than 400 national park units nationwide! Find interactive maps, suggested hikes, self-guided tours, and much more to plan your next national park adventure. The free app is available for iOS and Android devices via the App Store and Google Play. Be sure to download content for offline use before arriving in the Park!
